PURPOSE

The purpose of this Management Bulletin is to transmit a revised Family Fee Schedule that will take effect September 1, 2000. All families must have their fees assessed according to this revised schedule no later than October 1, 2000. This schedule reflects an upward adjustment in monthly family incomes that is derived from the State median income (SMI) as determined by the Department of Finance for 2000-01.

BACKGROUND

Education Code Section 8263(f) authorizes the State Superintendent of Public Instruction to establish a fee schedule for families utilizing child care and development services pursuant to Chapter 2 (Sections 8200 et seq.) of Part 6 of Title 1 of the *Education Code*. This schedule applies to all child care and development services, including CalWORKs child care funded by the California Department of Education and the California Department of Social Services, with the exception of the following programs: State Preschool, Bay Area Handicapped, and Resource and Referral. Also exempt are referrals for Child Protective Services funded with State General Funds. Referrals for Child Protective Services provided with federal funding shall be charged a fee according to the attached schedule, unless the referring protective services worker recommends a waiver of the fee and the contracting agency agrees to such waiver.

As specified in the Funding Terms and Conditions, whenever a fee is assessed or increased, a Notice of Action must precede the change. The proper citation to be included on the Notice of Action is “*Education Code* Section 8263(f), Revised Fee Schedule effective September 1, 2000.”

POLICY

Families with incomes less than 50 percent of the SMI are considered to be below the State poverty level for the child care and development programs, and no fees are assessed. Pursuant to *Education Code* Section 8263.1, the family income eligibility ceiling is 75 percent of SMI for all child care and development programs to which this fee schedule applies.

Families with incomes above 75 percent of SMI based upon the Fee Schedule effective October 1, 1997, who had children in subsidized child care prior to January 1, 1998, retain eligibility for those specific children through a "grandfather" clause. These children will remain eligible until family income exceeds 100 percent of SMI on the applicable fee schedule or until eligibility is lost because of other existing criteria. Families with incomes at or below 75 percent of SMI based upon the Fee Schedule effective October 1, 1997, who had children in subsidized child care prior to January 1, 1998, cannot be "grandfathered." These children will lose eligibility when their family's income exceeds 75 percent of SMI on the applicable fee schedule or when eligibility is lost because of other existing criteria. Children that are added after January 1, 1998, to subsidized families with previously "grandfathered" siblings have eligibility only if the family's income adjusted for its new family size is at or below 75 percent of SMI on the applicable fee schedule. However, the new child's eligibility will be lost upon the family's income exceeding 75 percent of SMI on the applicable fee schedule. The "grandfathered" children will maintain eligibility until the family's income exceeds 100 percent of SMI of the applicable fee schedule. Only families with no "grandfathered" children can be monitored for family eligibility. Families with "grandfathered" children must be tracked on the eligibility of the individual child.

For Alternative Payment programs, full-time care is defined as enrollment for six or more hours per day, while part-time care is enrollment for less than six hours per day.

For family child care home networks reimbursed under the Standard Reimbursement Rate (SRR) and for Center-based programs, full-time care is defined as enrollment for 6.5 or more hours per day, while part-time care is enrollment for less than 6.5 hours per day.

School-Age Community Child Care ("Latchkey") Programs operate on a quarter day (less than 2.5 hours per day) basis. Families served at this level shall be charged a fee equal to one-half of the part-time fee shown on the schedule. Example: A family of three whose gross monthly income is \$2,200 and whose child with the longest period of services is less than 2.5 hours per day will be assessed one-half of the part-time fee of \$2.00 or \$1.00 per day.

The Hourly Family Fee should be used where applicable.
